ABOUT US

Our compensation plan is designed to keep you moving to higher levels to earn faster and increase the amount of ad credits and income automatically.

We use a simple and fast 2x1 company Forced straight-line compensation plan that will maximize your results!

QUADRUPLE REENTRIES
BACK INTO LEVEL 1

Level 1

Level 2

Level 3

Level 4

Level 5

Looking at the picture above you see exactly how it works. You will pay a one time \$5 to purchase your level 1 ad package. Once two positions land under your position either by you or your upline, your positions will then be pushed to level 2. Once two positions land on your level 2, your position will be pushed to level 3. Once level 3 has two under it, your level 3 position will be pushed to level 4 and once level 4 has two, it will be pushed to level 5.

Now here is where it gets interesting for you. Once you cycle out of level 5, you get 6 new reentries positions back into level 1. What this means for you is once your 4 positions cycle level 5 the second time, you will then have a total 36 reentries into level 1.

L5	20	40	16	L1Rx4	\$3.00	\$1.00
<i>Total</i>			25		\$7.00	\$3.00

YOU MUST PURCHASE A LOWER LEVEL POSITION BEFORE YOU CAN PURCHASE AN UPPER LEVEL POSITION.

- 1st Time Cycle Out = \$25.00
- 2nd Time Cycle Out = \$150.00
- 3rd Time Cycle Out = \$300.00

If you are an aggressive with your sales, you get 100 referrals , Just do the maths and it will amaze you! It's up to you to try to reach your goals when it comes to referring.

Each position cost just #5.00 but you can own as many positions as possible. we recommend you buy between 10 to 100 positions as the more positions that you own, the higher your earning potentials.

ABOUT US

Quick Start Guide:

1. **Join Our Telegram** - this is so if you have any questions you can get faster assistance from one of our other Team Members, the Moderators, or the Admin himself.
2. **Fund Your Account** - The fastest way to start earning and quadrupling your income is to purchase all 5 levels at once for a total of \$60. If you can not afford to purchase all levels at least get the first one so you can start your CyclerPush.(when you send your funds, once transaction is completed, the funds will show on the stats page not here on the members page.)
3. **Place your ads** - You want to use your banner and text ads to advertise your other products and services to new and current members.
4. **Grab your referral links** - You can definitely earn without referring but you will speed up the process tremendously when you do. Inviting a minimum of 2 people jump starts your earnings and begins your CyclerPush.
5. **Follow up with your referrals** - Duplication is the key to success. Check on your team to make sure they understand the process and assist them with their growth. Remember, their growth is your growth!
6. **Leave a Testimony** - When you leave reviews about a site, it gets your name out there to others. This is a small way to brand yourself as an online influence and affiliate marketer!
